- Romal reins are allowed in all classes, including Ranch Cutting. When riding with a romal, a get down rope may be used. A get down rope is defined as a small rope tied around the neck of the horse with a bowline or other non-slip knot and run back to the rider or tied to the saddle. The get down will be used to lead, ground tie, or tie the horse. When ground-tying with split reins, one or both reins may be dropped, romal reins may be loosely draped over the horse when used with or without a get-down rope. Hobbles are allowed. The use of two-rein equipment is allowed in all NRSHA classes for one year only. When exhibiting in a snaffle bit or hackamore, an exhibitor may switch between two hands and one hand on the reins at any time.

SCORING SYSTEM

- The scoring system is designed to be positive, straightforward, and always encourage growth and improvement in both horse and rider. The scoring system is designed to give credit for the work done.
- Each horse/rider team is scored between 0-100 points and automatically begins the run with a score of 70 points.
- The horse/rider team is scored on the quality of each maneuver (e.g., -1 1/2 extremely poor, -1 very poor, -1/2 poor, 0 correct, +1/2 Good, +1 very good, +1 1/2 excellent). Plusses and minuses are a reflection of the smoothness, finesse, attitude, quickness and authority of the horse/rider team when performing the various maneuvers.
- Penalties may be accrued for incorrect maneuver execution.
- In each class, the entire class will be scored and placed. All exhibitors in each class will be ranked according to scores, placed from the highest to the lowest scores.
 - In the case of a horse/rider team being off-pattern (OP), , repeated blatant disobedience, the horse/rider team cannot place above other horse/rider teams who have completed the pattern correctly.
- No horse/rider team shall be disqualified except for lameness, abuse, illegal equipment, leaving the working area before the pattern is complete, disrespect or misconduct, improper western attire and or fall of horse/rider.
- Disqualified horses will count as entries in the class, but will not receive points.
- In the case of a fall by a horse or rider, the run shall end when the rider or horse fall to the ground.
 - A horse is considered to have fallen when all four feet are extended in the same direction.
 - A rider is considered to have fallen when the rider is no longer astride.
- In the case of equipment failure that delays competition or becomes unsafe, the run is stopped and the horse/rider team will be given credit for what they have accomplished prior to that point but cannot place above other horse/rider teams who have completed the pattern correctly and will be considered off-pattern (OP).
- In each class, specific maneuvers will be designated by the judge to be tiebreakers.
 - The tie-breaker maneuvers will be made prior to the start of the class and so noted on score sheets.
 - These maneuvers will be ranked as first tie-breaker, second, third and so forth. Specific maneuvers will be selected by the judge prior to the class as tie-breaking maneuvers. These maneuvers will be ranked as first tie-breaker, second, third etc.
- At the option of show management, when using two judges to determine one set of winners, the classes will first be placed under each judge and class placing points awarded and posted.
- One judge shall be designated as the "tie-breaker judge" before judging begins. The composite results (combined results used to determine an overall winner) shall be determined as follows: All class placing points will be added for each judge to determine an all-around winner. If there is a tie, the tie-breaker judge's class placing will determine the winner. Ties for the

all-around winner are broken first using the highest placing in the ranch cow work class, or the limited ranch cow work class, whichever is applicable to the division.

Rules will follow the NRSHA Rules posted on www.ranchhorse.net. These rules are largely the same as AQHA VRH rules, with a few exceptions, including Novice-specific rules and changes to the Limited Amateur and Limited Youth Cow Work.

NRHSA Limited Amateur & Limited Youth Ranch Cow Work

- Will follow 2020 AQHA VRH Limited Cow Work rules:
 - SHW564.1 Content. Exhibitors in the limited ranch cow work cannot compete in both the ranch cow work and limited cow work class, at the same show with the same horse. Limited ranch cow work exhibitors are allotted one minute and **forty-five** seconds to complete the work. When there are **50** seconds left, the announcer will announce, **50** seconds remaining. At one minute and **forty-five** seconds, the announcer will call for time. Exhibitors are not required to use all of the allotted time, but must ride until the judge whistles the end of the run or time expires, whichever occurs first. There are four parts to the work: boxing the cow; setting up the cow and driving it down the fence to the opposite end of the arena; and boxing it at the opposite end of the arena, and then driving the cow past the middle marker again. There is no expectation that the exhibitor will make a ‘fence turn’, rather the drive down the fence demonstrates correct position and control around the corner.
